

MonsterWorks Case Management for Workforce Development

MonsterWorks is built with 36 programs ‘out-of-the-box’, including WIOA Titles I and III, plus the ability to configure any state/local programs, and grants your agency wants without needing support from MonsterGov. With a modern, secure, and compliant case management system and daily PIRL reporting, state workforce agencies have the power to administer and report on any program needed to meet their workforce development goals.

Programs Included in Case Management “Out of the Box”

- Apprenticeship
- Business Services
- H1B
- Incumbent Worker
- Jobs for Veterans State Grants (JVSG)
